Brass c3604 datasheet pdf file free online

C3604 brass datasheet.

Fabricated using the optimum quality material, these components are accepted in several industries. Our offered range is manufactured using best quality brass that is sourced from trustworthy vendors of the market. We give an extensive variety of Brass Straight Knurled Insert to our clients, which is made utilizing a mix of premium evaluation crude material and the most recent innovation. For applications in wood and composite materials, our range is made by high quality raw material and thus is widely demanded by the client. We are a main Manufacturing Exporting and Supplying of Brass Threaded Inserts based at Unique Features: Strings according to International Go and Not Go Standards. Profound Groove for greatest Pull out Resistance. Inward Diameter (ID) after Threads with close resistance to avoid pointless flush to go into the additions. Material: Free Cutting Brass IS 319 Type (I) or Free Cutting Brass according to BS 249 Type (I) or High-Grade Free Cutting Brass. Any Special Brass Material View Complete Details Interested in this product? Rs 44 / Piece Get Latest Price Minimum Order Quantity: 10000 Piece Color Golden Condition New Size 1/2" to 2" Material Brass Material grade BS316 Our organization is counted among the most distinguished manufacturers, suppliers, exporters and wholesalers of Brass Male Insert. These are extensively used in engineering and mechanical industries. These are broadly utilized as a part of designing and mechanical commercial ventures. The offered metal male additions are offered by us in variegated sizes, outlines, completes and other related particulars to the clients. Rs 55 / Piece Get Latest Price Minimum Order Quantity: 100 Piece Color Golden Condition New Material Brass / Copper Alloy Material grade BS316 We are leading Manufacturer of Brass Spreading Insert and our product is made up of good quality. Starts from M4 or equal strings and up to any size according to Custom Designs and necessities Metal Spreading Insert Metal: Brass/Copper Alloy Metal Spreading Insert Rod: Casting/Extrusion Metal Spreading Insert Material : Free Cutting Brass IS 319 Type (I) Free Cutting Brass according to BS 249 Type (I) By and large Free Machine Grade of CuZn37Pb3 proportionate to BS 2874 is utilized to make different metal strung supplements in type of round, Hexagon, Square and so on Different evaluations which are taken after according to custom necessities are CZ 121, CZ 131, C3604, CDA 360, and DTD 627 and so on Metal Spreading Insert Threads : ISO Metric (MM Threads) BA Threads BSW Threads (Inches) UNC, UNF, UNEF and NPT Threads BSP and BSPT (Parallel and Taper Threads) Metal Spreading Insert Packing Details : Sack Packaging, Inner Plastic Packing, Container Packaging, Wooden Carton Packaging Metal Spreading Insert Special Features : String according to global Go and Not Go Gauge Standard. Profound Groove for greatest Pulls out Resistance. Inward Diameter (ID) subsequent to threading with close resilience to avoid unrequired flush to go into metal additions. Metal Spreading Insert Application : Plastic Industries Furniture Industry Electronic Industry Vehicles Industry, etc. Other Information : Pay Mode Terms: L/C (Letter of Credit), T/T (Bank Transfer) Minimum Order Quantity: 1 Bag Port of Dispatch: Mundra / JNPT Production Capacity: 10000 Bags Delivery Time: Depend Your Quantity Packaging Details: Standard Export Packaging View Complete Details Interested in this product? Rs 25 / Piece Get Latest Price Minimum Order Quantity: 500 Piece Color Golden Material Brass Brand Rathod We are recognized as the prominent manufacturer, exporter, and supplier of a wide array of Brass Knurled Expansion Insert. Highlights: * Available in Brass/Nickel and Chrome Finish * Sizes: 1/2" to 2" * Threads: BSP and BSPT (Parallel and Taper Threads) Additional Information: Production Capacity: 10000 Delivery Time: Ready Stock View Complete Details Interested in this product? Inner Diameter (ID) after Threads with very close tolerance to prevent unnecessary flush to enter into the inserts. Material: Free Cutting Brass IS 319 Type (I) or Free Cutting Brass as per BS 249 Type (I) or High Grade Free Cutting Brass. Headed to ensure level insertion. Rs 90 / Piece Get Latest Price Minimum Order Quantity: 500 Piece Color Golden Brand Rathod Material Brass Begins from M4 or equivalent threads and up to any size as per Custom Designs and requirements View Complete Details Interested in this product? These items meet the desires of our customers proficiently and is requested for its ideal quality and unwavering quality. Rs 16 / Piece Get Latest Price Minimum Order Quantity: 10000 Piece Condition New Finish And Coating Natural, Nickel Plated, Tin Plated Material grade BS 249 We are leading Manufacturer of Customized Inserts and our product is made up of good quality. Typical Application: Instrumentation, Telecommunications, and other Plastic Cases Assembly. Special Features: Threads as per International Go & Not Go Standards. Rs 25 / Piece Get Latest Price Minimum Order Quantity: 500 Piece Color Golden Condition New Size 1/2" to 2" Material Brass Material grade BS316 Our organization is counted among the most distinguished manufacturers, suppliers, exporters and wholesalers of Brass Male Insert. These are extensively used in engineering and mechanical industries. These are broadly utilized as a part of designing and mechanical commercial ventures. The offered metal male additions are offered by us in variegated sizes, outlines, completes and other related particulars to the clients. Rs 55 / Piece Get Latest Price Minimum Order Quantity: 100 Piece Color Golden Condition New Material Brass / Copper Alloy Material grade BS316 We are leading Manufacturer of Brass Multi Micro Insert and our product is made up of good quality. Metal : Brass / Copper Alloy Rod : Casting / Extrusion Material: Free Cutting Brass IS 319 Type (I) OR Free Cutting Brass as per BS 249 Type (I) OR Free Machine Grade equivalent to BS 2874 is used to manufacture various brass threaded inserts in form of round, Hexagon, Square etc Other grades followed as per custom requirements High Grade Free Cutting Brass. ISO Metric (MM Threads) / BA Threads / BSW Threads (Inches) / UNC, UNF, UNEF and NPT Threads / BSP & BSPT (Parallel & Taper Threads) / Any threads as per specifications Finishing & Coating : Natural/Golden Finish/Silver Finish/Nickle Plated/Chrome Plated/Tin Plated / Any coating as per customer specifications Brass Spreading Insert Packing Details : Bag/Inner plastic/carton/wooden Thread as per international Go and Not Go Gauge Standard. Deep Groove for maximum Pull out Resistance. Application : Plastic Industries Furniture Industry Electronic Industry View Complete Details Interested in this product? Rs 20 / Piece Get Latest Price Minimum Order Quantity: 1000 Piece Usage/Application Pipe Fitting Shape Round Brand RE Finishing Natural Color New Country of Origin India Size 1/2" to 2" Material Brass We are leading Manufacturer of Brass Fasteners And Fixings - Brass Female Insert and our product is made up of good quality. Brass Female Inserts for PPR Fittings Size : 1/2" to 2" Threads : BSP & BSPT (Parallel & Taper Threads) Finish : Brass, Nickel & Chrome Designed & developed as per customer's requirement Additional Information: Production Capacity: 10000 Delivery Time: Ready Stock View Complete Details Interested in this product? Inner Diameter (ID) after Threads with very close tolerance to prevent unnecessary flush to enter into the inserts. Material: Free Cutting Brass IS 319 Type (I) or Free Cutting Brass as per BS 249 Type (I) or High-Grade Free Cutting Brass. Any Special Brass Material View Complete Details Interested in this product? Rs 44 / Piece Get Latest Price Minimum Order Quantity: 10000 Piece Color Golden Condition New Size M2 To M30 Shape Cylindrical We are one of the leading manufacturer, Supplier & Exporter of Brass Headed Screw Insert. Other Information: Pay Mode Terms: L/C (Letter of Credit), T/T (Bank Transfer) Minimum Order Quantity: 1 Bag Port of Dispatch: Mundra / JNPT Production Capacity: 10000 Bags Delivery Time: Depend Your Quantity Packaging Details: Standard Export Packaging View Complete Details Interested in this product? We give these items at exceptionally sensible costs and in different shapes and sizes relying on the necessities of the customers. Composed and created according to client's necessity. We have confidence in giving quality and in this way subject every one of our items to various quality checks. Deep Groove for maximum Pull Out Resistance. The offered products are manufactured by the experts using qualitative raw material following international standards. Customers can avail these products from us in varied sizes and specifications as per their needs. Instructions: -Threads : BSP & BSPT (parallel & taper threads) Brass female inserts for PPR fittings Size : 1/2" to 2" Finish: Brass, nickel & chrome designed & developed as per customer's requirement View Complete Details Interested in this product? We offer high quality range of Brass Knock-in Insert. Knock-in threaded insert with external knurl and groove design to provide excellent resistance to torsion and pull out. Any Special Brass Material Composition as per customer's requirement Threads : ISO Metric (MM Threads), BA Threads, BSW Threads (Inches), UNC, UNF Threads, Any threads as per custom design. Length / Size: Begins from M2 or equivalent threads and up to any size as per custom design or requirement Finish And Coating: Natural, Nickel Plated, Tin Plated or any coating as per customer specification. We offer our range of material raw material and thus is widely demanded by the client. Rs 60 / Piece Get Latest Price Minimum Order Quantity: 100 Piece Color Golden Material Brass Material grade BS316 We are leading Manufacturer of Brass Threaded Insert and our product is made up of good quality. Rs 62 / Piece Get Latest Price Minimum Order Quantity: 500 Piece Color Golden Condition New Brand Name Rathod Material Brass Begins from M4 or equivalent threads and up to any size as per Custom Designs and requirements Brand Name : Rathod Other Information : Pay Mode Terms: L/C (Letter of Credit), T/T (Bank Transfer) Minimum Order Quantity: 1 Bag Port of Dispatch: Mundra / JNPT Production Capacity: 10000 Bags Delivery Time: Depend Your Quantity Packaging Details: Standard Export Packaging View Complete Details Interested in this product? These items are fabricated utilizing great metal and accordingly, these items are erosion safe and exceedingly tough. Metal Products are designed and developed by the experts using sophisticated methodology following industry standards. View Complete Details Rs 20 / Piece Get Latest Price Minimum Order Quantity: 100 Piece Color Golden Material Brass Product type Brass Insert We are the leading manufacturers and suppliers of the Brass Insert for Plastic Usage/Application Pipe Fitting Shape Round Color Golden Brand RE Quantity Per Pack 20 Packaging Type Box Packing We are putting forth extensive variety of PPR Inserts to our customers at industry driving rates. This insert can be available in a variety of sizes as per the requirements of our clients. Other Information: Pay Mode Terms: L/C (Letter of Credit), T/T (Bank Transfer) Minimum Order Quantity: 1 Bag Port of Dispatch: Mundra / JNPT Production Capacity: 10000 Bags Delivery Time: Depend Your Quantity Packaging Details: Standard Export Packaging View Complete Details Interested in this product? The offered range of components is widely acclaimed in the market for its high tensile strength, corrosion - resistance, long lasting nature and abrasion resistance. Interested in this product? The offered brass male inserts are offered by us in variegated sizes, designs, finishes and other related specifications to the customers. Instructions: * Size : 1/2" to 2" Brass male inserts for CPVC fittings * Threads : BSP & BSPT (parallel & taper threads) Other Information: Pay Mode Terms: L/C (Letter of Credit), T/T (Bank Transfer) Minimum Order Quantity: 1 Bag Port of Dispatch: Mundra / JNPT Production Capacity: 10000 Bags Delivery Time: Depend Your Quantity Packaging Details: Standard Export Packaging View Complete Details Interested in this product? The offered range of components is widely acclaimed in the market for its high tensile strength, corrosion - resistance, long lasting nature and abrasion resistance. Interested in this product?
